Product Specification

REPLIFACT *Media*

CD Label

47mm

116mm

20mm

### Outer circle
116mm

Inner circle
20mm

= Printable area

Note

On full color labels we always print a white base.

When there is no white base, we recommand to use a 47mm center hole. This is to avoid interference with text, logo's and images and the CD's inner circle inscription.

Attention: Text and logo's have to be kept away from edges with a minimum of 2mm
Lay out in CMYK (no RGB) with a minimum resolution of 300 DPI | The design should be submitted in PDF format
